

Thank you for being or becoming a member of our Federation!

Your membership is now expired, as we will now be offering memberships from January to December of each year. We invite you to renew your membership card for another year.

By being a member, you are a part of a group of seniors passionate about fighting for our rights! Every member counts!

As many of you know, we have discontinued the publication of the Horizons magazine and have replaced it with a monthly 50+Newsletter that you can access from our website (www.nbscf.ca) and our Facebook page (NBSCF-FCANB). For those of you without access to the internet, please let us know and the 50+Newsletter can be mailed out to you in paper form.

Thanks to the continued support of seniors and organizations around the province, our Federation has fought over the years for benefits such as: keeping your assets when moving into a nursing home (only your income is taken into account); affordable auto, home and travel insurance; rebates on property tax; heating assistance in the winter; the Guaranteed supplement for low-income seniors; passports available for 10 years; free flu vaccines; and discounts in stores, restaurants, shops, public transportation, shows, events, hunting and fishing licenses, and so much more.

The New Brunswick Senior Citizens Federation needs your support! We are continuously fighting for the wellbeing of all seniors in the province. In the past year, we have approached the government on many subjects and concerns: conditions in nursing homes, home care, rural hospital ER closures, the high-dose flu vaccine, the 30-day limit on prescriptions during the pandemic, and the list goes on. In order to have a bigger voice, we need more members. Become a member of our organization for just \$10/year (fee lowered for 2021 only). Please help us by spreading the word to all your friends and family who are 50 years and over. There is strength in numbers when dealing with the government. Tell your friends and let's work together to improve and maintain an excellent quality of life!

You can renew by filling out the form below and sending a cheque by mail, or by calling our provincial office at **1-800-453-4333** to renew using your credit card.

Please note that if you have a policy with one of our insurance carriers, you are required to continue your membership since these are considered group insurances!
